Memorandum

To: Mr. John E. Manley, Acting Asst. General Manager

From: Mr. R. A. Sharood, Chief Engineer

Subject: AX-257 - Collision Train #1 with Section Velocipede
at MP 112.5

Reference your memo of November 10 concerning AX-257 covering a collision between Train #1 and a section velocipede.

The cause of this collision and of previous stoppages of this train was due to an understanding on the part of the track patrolman that the lineup as given could be relied upon. He has been advised that a lineup is for information only and confers no rights.

This type of accident will not occur again.
