

Engine 557

Restoration Company

Bringing Alaska's History to Life

The restoration of Engine 557 is only possible because of the generous monetary donations, in-kind donations of goods and services, and untiring work of the volunteer crew.

To follow the progress or to make a credit card donation, go to:

The Engine 557 Restoration Company's mission is to restore, operate, conserve, and display former Alaska Railroad steam locomotive number 557 for the education and enjoyment of Alaskan residents and visitors.

The volunteer crew takes a short break for a photo. July, 2014.

Moved outside for sand blasting after 22 months of disassembly, the only parts which haven't been removed are the frame, boiler, and cylinder block. June, 2014.
